

EXT. SIDEWALK - AFTERNOON

Scene opens to a TEACHER drawing a four square court with chalk.

GANGSTER walks in listening to iPod. Stops and stands there dancing.

PREP walks in talking on cell phone. Stops and continues talking.

NERD walks in carrying ball, stops.

Everyone stops and looks at him during awkward moment of silence.

NERD
(announcing to everyone)
I'm so ballin'.

GANGSTER
(turns off iPod)
I don't think that means what you
think it means.

NERD
(snorts)
What's it supposed to mean?

GANGSTER
So you say you wanna be a
gangster... but you from the east
side so you a wangster.

Nerd puts ball down and walks toward gangster preparing to fight.

Teacher picks up ball.

TEACHER
(looks nervous)
Okay everyone! Let's get get along
now. Welcome to your first four
square lesson! Let's get started...

Prep continues to talk on phone.

PREP
Like, oh my gosh! my parents are
like making me take this totally

like so totally gross!!!

GANGSTER
 (Sarcastically and annoyed)
 Hey! Shut up! No one wants to hear
 your stupid conversation!

PREP
 (Getting mad and annoyed)
 Why don't you like totally shut up?!
 Sorry your just like totally jealous
 that your like so not the
 fantabulous me and have like no

GANGSTER
 Why would I be hatin' on you? Bring
 it! What!

Gangster starts toward prep.

Prep strikes a pose, looking all brave.

TEACHER
 (looking totally frazzled)
 Okay, okay! Come on children. I
 don't want to put you in timeout!

All reluctantly walk over to teacher and listen, glaring at
 each other.

TEACHER
 (Stepping into a square)
 Okay, everybody stand in a square.

Everyone steps into a square.

TEACHER
 Very good. That wasn't very hard
 was it? now bounce the ball from
 one square to another without it
 bouncing twice in one. now let's do
 it! Any questions?

GANGSTER
 This can't be too hard. Okay, dawg,
 I play your game.

PREP
 Okay, well whatever. Its not like I
 have anything else better to like
 do. This is going to be like totally
 lame.

NERD
 (Snort)

Is this going to be dangerous?

TEACHER
(sighs and rolls eyes)
Oh wow. let's just give it a try.

Teacher takes ball and bounces it to prep, who screeching, jumps away.

Teacher patiently walks to get the ball.

GANGSTER
(making fun of prep)
Oh my gosh! its a rubber ball!

Gangster takes out iPod and begins listening.

PREP
Oh my gosh! you are like sooo annoying! Its like a lot harder than it looks and I like totally just got my nails done today.

Teacher walks back with ball.

TEACHER
Okay well that didn't work so well.
Let's try this again.

Teacher bounces ball to nerd.

Nerd sees, screams a girly scream, and runs away, leaving set.

Teacher again walks over to retrieve ball.

GANGSTER
I'm stuck here with the biggest losers ever. how can bouncing a ball be so hard?

Prep rolls her eyes and takes out her cell phone, dialing.

Teacher comes back.

TEACHER
(looking in the direction nerd left)
I hope he's okay.
(shrugs and turns to gangster)
Let's see if you can do it...

Teacher lightly bounces ball to gangster, who is dancing to music on iPod.

Gangster sees ball, but suddenly trips on low hanging jeans, falling on bum and watching the ball bounce by.

Gangster stands up, completely embarrassed and frazzled.

Prep laughs and walks away, still taking on phone.

PREP

Oh my gosh! That was like the most
worthless lesson ever!

Gangster straightens herself up, turns on iPod again, and dances away.

Teacher sits down with head in hands, shaking her head.
